

THE METROSTYLE and THE THEMODIST—two exclusive features of the

Pianola-Piano

The Metrostyle enables the performer to interpret the composition—to play with feeling and expression.

The Themodist enables the performer to bring out the theme or melody of the composition.

By means of these two features the person without musical knowledge is enabled to play in the style of the master.

SAUNDERS NAMED BY ACCLAMATION

Incumbent is Renominated for Congress in Fifth District.

[Special to The Times-Dispatch.] Danville, Va., September 19.—Judge Edward Watt Saunders, of Franklin, this afternoon was nominated by acclamation as the Representative of the Fifth District of Virginia at the convention of Democrats here. The meeting was most enthusiastic and was quite harmonious, there being no opposition to the candidate, who has for the past three terms served in the same capacity. After being nominated Mr. Saunders was asked to address the convention, and this he did.

After a little pleasantries by way of introduction, he paid an earnest eulogy to Woodrow Wilson and reviewed the auspicious conditions under which the Democratic party enters its campaign for the presidency and its brilliant prospect of again electing a majority of the House of Representatives. He contrasted the Democratic outlook with that of the Republicans, satirizing Roosevelt and paying his respects to Taft as candidate of the reactionary Republican element. Mr. Saunders also reviewed the record of the House of Representatives and summarized the important legislation with which he had been prominently identified. He was loudly applauded at its end.

The meeting was called to order at noon by Hon. R. A. James and John W. Carter, of Franklin, was made temporary chairman. In addressing the convention, thanking it for the honor conferred upon him, Mr. Carter stated that a convention was the proper place to nominate a candidate and adopt a platform, and not a primary. This sentiment was warmly applauded. Saunders' name was placed before the convention by Mayor Woodling and it was seconded by Hon. William L. Powell, of Franklin, who made an eloquent speech.

The counties of Halifax and Charlotte, which were transferred to this district from the Sixth District by the General Assembly last spring, participated in the convention for the first time.

The feature of the platform adopted was an endorsement of the stand of the House of Representatives in favoring Federal aid for State roads.

DELEGATES ELECTED.

Will Attend Fifth District Convention at Rocky Mount.

[Special to The Times-Dispatch.] Rocky Mount, Va., September 19.—The Republicans of Franklin met here at noon to-day and named sixty delegates to represent the county at the Fifth District convention, which meets at Rocky Mount on Monday to name a candidate for Congress. For member State Senator J. A. Dinwiddie presided, and Len Peters, a prominent merchant of Wythe, was secretary. Rufus Sink, of Wythe, was elected county chairman, and Len Peters, secretary of the county committee.
